

Whitehouse, Peter J.

BIBLIOGRAPHY

CURRICULUM VITAE

Peter John Whitehouse, M.D., Ph.D.

BIOGRAPHICAL

Professional Address: University Memory & Aging Center

University Hospitals Case

Medical Center

11100 Euclid Avenue

Cleveland, Ohio 44106, USA

Mailing:

12200 Fairhill Road, Suite C357

Cleveland, Ohio 44120-1013

Phone: (216) 844-6448

FAX: (216) 844-6466

Birth Date: May 26, 1949 (London, England)

Citizenship: United States

Marriage: Catherine C., Ph.D.

Children: Erin - 9/26/81

Meghan - 6/7/83

Kirsten - 1/20/85

Academic Education

1967 - 1971 Brown University, BA (magna cum laude)

1971 - 1976 Johns Hopkins University, M.D., M.A.

1977 Johns Hopkins University, Ph.D. (Psychology)

1996 Case Western Reserve University, M.A. Biomedical Ethics and Professional Fellowship in Management

2003 Case Western Reserve University, Certificate in Executive Management

in Health Care

2005 The Healer's Art, Rachel Remen's Institute for the Study of Health and

Illness at Commonweal

Training

- 1973 Clinical Clerk, Spring Grove State Hospital, Baltimore, Maryland (Dr. Jerome Frank)
- 1974 Clinical Clerk, National Neurological Hospital, Queen Square (Dr. John Marshall) Clinical Clerk, National Psychiatric Hospital, (Dr. Michael Shepherd), London, England
- 1974 Psychotherapist, Psychological Clinic and Henry Phipps Psychiatric Outpatient Clinic, Johns Hopkins Hospital, Baltimore, Maryland
- 1975 - 76 Predoctoral Fellow, Boston University and Harvard University, Aphasia Unit
- 1977 Osler Medical Intern, Johns Hopkins Hospital and University
- 1978 - 81 Neurology Resident, Johns Hopkins Hospital and University
- 1981 - 82 Fellow in Psychiatry and Neuroscience, Johns Hopkins Hospital and University

Licensures

State of Ohio #54613

Specialty Board

Nov. 1983 Diplomate in Neurology, American Board of Psychiatry and Neurology, Certificate Number 25515

Research Awards

- 1970 Smithsonian Institute Undergraduate Research Grant
- 1973 - 77 NIGMS Predoctoral Training Grant
- 1981 NIH Postdoctoral Fellowship
- 1982 - 84 Alfred P. Sloan Research Award
- 1982 - 85 McKnight Foundation Award
- 1982 - 87 Commonwealth Fund Award
- 1996 - 98 Case Western Reserve University Million Dollar Professor Award
- 2000 Clinical Research _____ US and Region (multiple years)

Educational recognition

- 1968 - 71 Francis Wayland University Scholar, Brown University
- 1971 Harold Schlosberg Premium in Psychology for outstanding honorary thesis, Brown University
- 1971 Sigma Xi, Brown University
- 1976 Phi Beta Kappa, Johns Hopkins University
- 1976 Alpha Omega Alpha, Johns Hopkins University
- 1988 Honorary Member, Asociacion Colombiana de Neurologia, Bogota, Columbia, October 1988.
- 1992 - 2007 Mentioned in various local, regional and national surveys of best doctors
- 2003 University Center for Innovation in Education and Teaching Fellow
- 2003 Educational Innovation of the Year Awarded to The Intergenerational School by Northern Ohio Live Magazine

2005 Case Service Learning Fellow

2005 – 2007 Senior Scholar, Scholar's Collaborative on Teaching and Learning, School of Medicine, Case Western Reserve University

2007 Intergenerational Approaches in Education, lecture, American Society on Aging Mind Alert Award to The Intergenerational School Prize March 9, 2007.

Faculty and Administrative Appointments

1982 – 83 Instructor – Departments of Neurology and Neuroscience, The Johns Hopkins University, School of Medicine, Baltimore, Maryland

1982 – 86 Director Brain Resource Center, Neuropathology Laboratory, The Johns Hopkins University, School of Medicine

1983 – 86 Assistant Professor, Departments of Neurology and Neuroscience, The Johns Hopkins University, School of Medicine

1986 – 92 Associate Professor, Departments of Neurology and Neuroscience, Case Western Reserve University, School of Medicine

1986 – 97 Director, Division of Behavioral and Geriatric Neurology, Department of Neurology, Case Western Reserve University

1986 – 97 Director, Alzheimer Center, University Hospitals of Cleveland, Cleveland, Ohio

1990 – 96 Associate Director for Development, Center for Aging and Health, Case Western Reserve University

1991 Visiting Scholar, Department of Psychiatry, Tokyo Metropolitan Institute of Summer Gerontology, Tokyo, Japan

1993 Visiting Professor, National Neurological Hospital, London, England (including research at King's Fund)

1993 – 2006 Professor (secondary appointments), Departments of Neuroscience, Cognitive Science, Psychiatry, Psychology, Organizational Behavior, History and Frances Payne Bolton School of Nursing, Case Western Reserve University

1993 – 2003 Professor, Bioethics

1999 – 2006 Director, Integrative Studies, Department of Neurology, Case Western Reserve University

2002 Visiting Professor, National Neurology Hospital

2002– 03 Interim Co-Director, Clinical Core University Memory and Aging Center

2007–8 Director, College Scholars Program

2006– Director, Adult Learning, The Intergenerational School

Current Appointments

1993 – Professor with Tenure, Department of Neurology, University Hospitals of Cleveland and Case Western Reserve University

Consultant Positions

1982 -2006 Over 50 pharmaceutical companies in various roles concerning aging and dementia

1982 - 89 Principal Consultant for Biomedical Imaging, Loats Associates Biomedical Image Analysis, Westminster, Maryland

1985 - 87 Ad Hoc with several federal programs, including Health Care Financing Administration, Office of Technology Assessment, Washington, D.C.

1989 - 95 Consultant, Gliatech, Inc., Biotechnology Company, Beachwood, Ohio

1989 - 95 Member, Board of Directors, AssurQual, Inc., Information Technology, Columbus, Ohio

1992 - 94 The Charles A. Dana Foundation, Program in Neuroscience

1993 - 94 Task Force on Aging Research, Department of Health and Human Services

1994 - 97 Abbott Laboratories Pharmaceutical Company-wide Scientific Advisory Council

ORGANIZATIONS/MEMBERSHIPS

INTERNATIONAL

1993 - International Longevity Center, Member of Program Advisory Group

1994 - International Working Group on the Harmonization of Dementia Drug Guidelines, Founder and Chair Quality of Lives Working Group Committee

1996 - 98 World Health Organization (WHO) Advisory Group on Dementia Drugs

National and State

1985 - NIA Grant Review - Ad hoc

1985 - 87 NIMH Extramural Grant Review Panel

1986 - 92 Governor's Task Force on Alzheimer's Disease, State of Ohio Chairman
1986 - 2000 Veterans Administration Grant Review Ad Hoc Committee
1990 - 1998 National Chronic Care Consortium
1992 -- Food and Drug Administration Advisory Panel for Central and Peripheral Nervous System Drugs
and then Special Government Employee Consultant (as of 1996)
1993 - 2003 Department of Veterans Affairs, Geriatrics and Gerontology Advisory Committee, Secretarial
Appointee
1994 - 96 Department of Health and Human Services Advisory Panel on Alzheimer's Disease
1995 - 99 Pfizer Advisory Panel for Visiting Professorships
1995 - 2002 The Hastings Center, Associate Member
1999 - 2000 Institute of the Medicine's Committee to study the Reimbursement of Routine
Patient Care Costs for Medicare Patients Enrolled in Clinical Trials, member
1999 - 2000 Institute of the Medicine's National Academy of Sciences Committee - A
National Center on War-Related Illness and Post-Development Health Issues,
member
2005 - Taos Institute, Associate Member

NATIONAL ALZHEIMER'S ASSOCIATION

1986 - 95 Alzheimer's Association Professional Medical and Scientific Advisory Board
1988 - 92 Chairman, Respite Care Subcommittee (responsible for Alzheimer's Association National Respite
Demonstration Program)
1991 - 95 Chairman, Alzheimer's Association Treatment Committee of PMSAB
1993 Executive Committee, Professional Medical and Scientific Advisory Board
1992 - 95 National Board, Alzheimer's Association (lay community board)
Patient and Family Services Committee
Public Relations Committee
Other Committees in the past: Nominating Committee, Autopsy and Brain Bank
Committee, Task Force on Health Care Delivery
1995 - 98 Outside Advisory Member, Alzheimer Association Treatment Committee

NIA ALZHEIMER DISEASE RESEARCH CENTER CONSORTIUM

1990 - 93 Member, Executive Committee
1992 - 93 Chairman, Executive Committee

NIA CLINICAL STUDY GROUP

1990 - 95 Chairman, Behavior Scales Committee
1995 - Chairman, Quality of Lives Committee
Member, Ethics Committee

Advisory Boards - Foundations

1986 - 89 Robert Wood Johnson Foundation, Advisory Panel for National Day Care Demonstration Project,
Princeton, New Jersey

1986 - 96 Sandoz Foundation for Gerontological Research

1990 - 2003 Brookdale Foundation, Advisory Panel on Leadership Programs in Geriatrics

1998 - 2000 California HealthCare Foundation, Elders in Managed Care

2002 - 2004 Rosalyn Carter Institute for Human Development Caregiving in Dementia Project

2003 - 2004 Brookdale Foundation Institute on Aging

Advisory Boards - Universities

1988 - 92 Mayo Clinic, Alzheimer's Center Advisory Committee (Dr. Ronald Petersen)

1988 - 92 Baylor University, Department of Neurology, Alzheimer's and Parkinson's Advisory Committee
(Dr. Stanley Appel)

1988 - 91 University of Michigan, Department of Neurology, Alzheimer's Program Advisory Committee (Dr.
Sid Gilman)

1994 - 96 Cleveland State University - Advisory Committee for the Master of Science in Health Sciences
Degree Program

1996 - Boston University Alzheimer Disease Center

University Hospitals Case Medical Center

1987 - 88 Department of Neurology Committee on Appointment, Promotion and Tenure

1991 - 92

1988 - 90 Quality Assurance Oversight Committee

1986 - 90 Positron Emission Tomography Committee

1992 - 98 University Hospitals Ethics Committee

1997 - University Hospitals Clinical Trials Committee

Case Western Reserve University

1994 Provost Promotion Committee

1995 - 2002 Faculty Senate Budget Committee, Chair (1998-2001)

1995 - 2000 University Budget Committee

1995 - Institute for Public Health Services Community Advisory Committee

1999 - 2000 Cultural Studies of Science, Baker-Nord Center for the Humanities, Assoc.
Organizer

2002 Presidential Task Force on SAGES, Case Western Reserve University

2003 Presidential Task Force on Presidential Fellows

2004 - 2005 Search Committee Cognitive Science, Chair

2004 - 2005 Search Committee Philosophy, Faculty

2005 - 2006 Search Committee Communication Science, Chair

2007 - 2008 Task Force Strategic Planning Interdisciplinary Programs

Case Western Reserve University School of Medicine

- 1986 - 87 Psychiatry Chairperson Search Committee
- 1986 - Advisory Board, Office of Geriatric Medicine
- 1986 - Senior Faculty Associate and member of Steering Committee, Center on Aging and Health
- 1986 - 1996 Executive Committee, Western Reserve Geriatric Education Center
- 1990 - 92 Pharmacology Chairperson Search Committee
- 1994 - 95 LCME Steering Committee
- 1994 - 97 Faculty Council
- 1995 Faculty Council Committee to Review Standing Committees
- 1995 - 97 Conflict of Interest Committee
- 1996 - General Clinical Research Center Advisory Committee
- 2006 Medical Professionalism Leadership and Ethics, Co-Leader

Community Organizations

- 1987 - 89 Advisory Board, Cleveland Hearing & Speech Center
- 1989 - 95 Member, Professional Medical and Scientific Advisory Board, ADRDA (Cleve Chap)
- 1988 - 89 Fairhill Institute for the Elderly, Technical Oversight Committee, Health Care Subcommittee, Strategic Planning Subcommittee
- 1992 Member, Exhibit Advisory Committee, Cleveland Health Education Museum
- 2000 - 2002 Board Chairman and President, The Intergenerational School at Fairhill
- 2002 - 2006 Board member, The Intergenerational School
- 2004- 2007 Poets' and Writers' League of Greater Cleveland Member

Medical and Scientific Societies

Alzheimer's Research & Education Consortium (AREC)

- 2005 - Scientific Advisory Board

American Academy of Neurology

- 1988 - 1990 Scientific Programs Committee (Review Abstracts)
- 1989 Planning Group for the Section on Geriatric Neurology
- 1990 - Member Geriatric Neurology Section
- 1990 - 92 Vice Chairman, Geriatric Neurology Section
- 1992 - 94 Chairman, Geriatric Neurology Section
- 1991 - 94 Legislative Affairs Committee
- 1992 Member, Scientific Program Subcommittee
- 1994 - 2002 Member, Neuropharmacology Section

American Association for the Advancement of Science

American College of Neuropsychopharmacology

- 1993 - 95 Ethics Committee
- 1995 - 97 Liaison Committee
- 1996 - 98 Committee of Relationships with Advocacy Groups

2002 - 06 Ethics Committee
American Geriatrics Society
1992- 98 Research Committee
1993 - 98 Public Policy Committee
1994- Fellow
1997 - 98 Ethics Committee
1997 - 2003 Board of Directors
1999 - 2003 Foundation for Health in Aging
American Neurological Association
1992 - 96 Committee for Ethical Affairs
1992 - 95 Long-Range Planning Committee
American Neuropsychiatric Association (occasional)
American Society on Aging
American Society for Bioethics and Humanities - 1998 -
American Society for Neurological Investigation
1985 Secretary-Treasurer
1986 President
Association for Health Services Research (occasional)
Behavioral Neurology Society (occasional)
Consortium of Canadian Centres for Clinical Cognitive Research
1994. Non-Resident Member
Gerontological Society of America (occasional)
Institute for the Study of Aging Scientific Advisory Board
2000 - Member
International Association of Gerontology
1999 - 2004 Member, North American Advisory Committee
International College of Geriatric Psychoneuropharmacology
2000 - Founding Board Member
International Psychogeriatric Association (occasional)
Society for Bioethics Consultation - 1996 - 98
Society for Health and Human Values - 1996 - 98
Society for Neuroscience - 1982 - 96
World Federation of Neurology
1993 - 06 Executive Committee, Research Group on Dementia
2002 - 04 Chairman, Research Group on Dementia, World Federation of Neurology

Editor

1991 - 2001 Editor-in-Chief, Alzheimer Disease and Associated Disorders: An International Journal, Lippincott William & Wilkins Press
1991 - 96 Associate Editor, Neurobase, Arbor Publishing Corporation, Rochester, New York
1991 - 96 Associate Editor, Journals of Gerontology Medical Sciences, The Gerontological Society of American, Boston, Massachusetts

1992 - 97 Associate Editor, Yearbook of Geriatrics and Gerontology

2007- Associate editor, Culture, medicine and psychiatry

Editorial Board (end dates uncertain but many still active)

Acta Pathologica Scandinavica (ended)

Alzheimer Disease and Associated Disorders International Journal

Brain and Aging International

Current Approaches to Dementia (ended)

International Journal of Geriatric Psychopharmacology

International Psychogeriatrics (1994-1997)

Japanese Psychogeriatric Society Journal Editorial Board

Psychogeriatrics

Theoretical Medicine and Bioethics (ended)

The American Journal of Bioethics

The Journal of Alternative and Complementary Medicine: Research on Paradigm, Practice, and Policy

Journal of Alzheimer's disease

CWRU Course Participant And Development

1996 - 2004 Abnormal Psychology (Guest Lecturer) Case Western Reserve University
1997 University Center For Innovation in Teaching and Education Multimedia Program in
Ethics of Genetic Testing in AD (NORD Grant Award)
1999 Environmental Problems: Human Aging and The Environment (Spring, 1999)
2000 History 395/495: History of Medicine (Fall Semester 2000)
2003 Wisdom: An Introduction, SAGES Course (Spring, 2003)
2005 Medical School Curriculum Reform: Professionalism, Ethics and Leadership (2005-06)
2006 Block 1 design committee
2006 Block 1 Case Inquiry group facilitator
2007 Foundations of Clinical Medicine I and II
2007 Block 6 Case Inquiry group facilitator
2007-08 Director, College Scholars Program

THESES

1. Whitehouse PJ: A computer model of physiological and psychological aspects of human osmoregulation.
Unpublished Undergraduate Honors Thesis, 1971.
2. Whitehouse PJ: Input and output dysfunction in schizophrenia. Unpublished Master's Thesis, 1974.
3. Whitehouse PJ: Imagery and verbal processes in the memory of aphasics. Unpublished Ph.D. Thesis Manuscript,
1976.

JOURNAL ARTICLES (PEER REVIEWED)

1. Whitehouse PJ, Caramazza A, Zurif E: Naming in aphasia: interacting effects of form and function. *Brain Lang* 6:63-74, 1978.
2. Whitehouse PJ, Price DL, Clark AW, Coyle JT, DeLong MR: Alzheimer disease: evidence for selective loss of cholinergic neurons in the nucleus basalis. *Ann Neurol* 10:122-126, 1981.
3. Whitehouse PJ: Imagery and verbal memory encoding in left and right hemisphere damaged patients. *Brain Lang* 14:315-332, 1981.
4. LaFrance ND, Wagner HN Jr., Whitehouse PJ, Corley E, Duelfer T: Decreased accumulation of isopropyl-iodoamphetamine (I-123) in brain tumors. *J Nucl Med* 22:1081-1083, 1981.
5. Whitehouse PJ, Bleecker ML: Co-occurring ophthalmoplegia and hemiparesis in a case of migraine. *Arch Neurol* 39:445-446, 1982.
6. Whitehouse PJ, Price DL, Struble RG, Clark AW, Coyle JT, DeLong MR: Alzheimer's disease and senile dementia: loss of neurons in the basal forebrain. *Science* 215:1237-1239, 1982.
7. Struble RG, Cork LC, Whitehouse PJ, Price DL: Cholinergic innervation in neurotic plaques. *Science* 216:413-415, 1982.
8. Price DL, Whitehouse PJ, Struble RG, Clark AW, Coyle JT, DeLong MR, Hedreen JC: Basal forebrain cholinergic systems in Alzheimer's Disease and related dementias. *Neurosci. Comment* 1:84-92, 1982.

INVITED PROFESSIONAL PRESENTATIONS

Visiting professorships are indicated with an asterisk *

1. Whitehouse PJ and Gross M: Lexical semantics and aphasia. Presented at the International Neuropsychological Society, February, 1978.
2. Clark AW, Parhad IM, Struble RG, Whitehouse PJ, and Price DL: The nucleus basalis of Meynert (nbM) in Alzheimer's disease/senile dementia of the Alzheimer's type (AD/SDAT). Presented at the IXth International Congress of Neuropathology, Vienna, 1982.
3. Price DL, Whitehouse PJ, Struble RG, Cork LC, Hedreen JC, Coyle JT, and DeLong MR: The role of basal forebrain cholinergic systems in Alzheimer's disease. Presented at the Conference on Alzheimer's Disease, Given Institute of Pathobiology, Aspen, Colorado, July 5-9, 1982.
4. Whitehouse PJ, Struble RG, Hedreen JC, Clark AW, White CL III, Parhad IM, and Price DL: Neuroanatomical evidence for a cholinergic deficit in Alzheimer's disease. Presented at the 1982 American College of Neuropsychopharmacology meeting.
5. Whitehouse PJ, McKinney M, Hedreen JC, and Coyle JT: Cholinergic projections to cortex: implications for an animal model of Alzheimer's disease. Presented at the 1982 American College of Neuropsychopharmacology meeting.
6. Whitehouse PJ, Struble RG, Kitt CA, Cork LC, and Price DL: Role of the basal forebrain cholinergic projecting system in AD. Presented at the 15th Annual Meeting of the American Society for Neurochemistry, 1984.
7. Casanova MF, Walker LC, Whitehouse PJ, and Price DL: Cell counts and perikaryal measurements of the nucleus basalis in Down's syndrome. Presented at the annual meeting of the Canadian Association of Neuropathologists, 1984.
8. Whitehouse PJ: Nucleus basalis of Meynert in Parkinson's disease. Presented at the VIII International Symposium on Parkinson's Disease, 1985.
9. Price DL, Cork LC, Struble RG, and Whitehouse PJ: Neurobiological approaches to Alzheimer's Disease and animal models. Presented at the International Congress of Gerontology, 1985.
10. Whitehouse PJ: Alterations in cholinergic neurons and cholinergic neurotransmitter receptors in Alzheimer's Disease. Presentation mtg of the IVth World Congress of Biological Psychiatry, 1985.
11. Whitehouse PJ: Computer image analysis approaches to quantitating neuronal and neurotransmitter alterations in neurological and psychiatric disease. Presented at the meeting of the American College of Neuropsychopharmacology, 1985.
12. Desouza EB, Whitehouse PJ, Price DL, Vale WW, and Kuhar MJ: Alzheimer's Disease: reciprocal changes in corticotropin-releasing factor-like immunoreactivity and corticotropin-releasing factor receptors in cerebral cortex. Presented at the meeting of the American College of Neuropsychopharmacology, 1985.
13. Whitehouse PJ: Developing neurotransmitter receptor-based therapies in Alzheimer's Disease. Presented at the 1986 meeting of the American Chemical Society.
- 14.* Visiting Professor, Lecturer. Whitehouse PJ: Alzheimer's Disease: First Andrew Flood, Columbia University, 1986.
15. Whitehouse PJ: Alzheimer's Disease: New directions for research and care. Western Reserve Geriatric Education Center: Topics in Geriatric Medicine, October 10, 1986.
16. Whitehouse PJ: Dementia. Presented at Cleveland Clinic Foundation Medical Ground Rounds, October 30, 1986.

17. Whitehouse PJ: Alzheimer's Disease. Presented at University of Texas Conference on Alzheimer's Disease: Biological and Psychological Issues, November 12, 1986.
- 18.* Visiting Professor of Neurology. Whitehouse PJ: Alzheimer's Disease: New Directions for Research and Care, Northeastern Ohio University, College of Medicine January 27, 1987.
19. Whitehouse PJ: Alzheimer's Disease. Presented at Western Reserve Geriatric Education Center: Topics in Geriatric Medicine, January 30, 1987.
20. Whitehouse PJ: Bridging Research and Practice. Presented at Duke University Medical Center First Annual Joseph and Kathleen Bryan Alzheimer's Disease Research Center Conference, February 10-11, 1987.
21. Whitehouse PJ: Alzheimer's Disease and Parkinson's Disease: New Neurochemical Parallels. Presented at Sandoz Pharmaceutical's Symposium on Parkinson's Disease, February 15-20, 1987.
22. Whitehouse PJ: Panel Leader, Clinical Problems in Huntington's and Alzheimer's Disease. University of Akron Huntington's and Alz Disease Scientific Advances and Ethical Problems, March 11, 1987.
23. Whitehouse PJ: Alzheimer's Disease. Presented at Western Reserve Geriatric Education Center Hough Norwood Series: Clinical Issues in Geriatrics, March 18, 1987.
24. Whitehouse PJ: Workshop Leader, Challenges in Dealing with Alzheimer's Disease. American Orthopsychiatric Association, March 26, 1987.
25. Whitehouse PJ: Ramifications for Cleveland. Presented at Health Matrix and the Visiting Nurse Association First Annual Interdisciplinary Grand Rounds: Alzheimer's Disease and Minority Populations, April 2, 1987.
26. Desouza EB, Whitehouse PJ, Price DL, and Vale WW: Abnormalities of CRF in Alzheimer's Disease and other human disorders. Presented at the New York Academy Science Symposium, April 6-8, 1987.
27. Whitehouse PJ: Alzheimer's Disease and Parkinson's Disease: New Neurochemical Parallels. Presented at National Parkinson's Disease Foundation, April 11-12, 1987.
28. Whitehouse PJ: Nicotinic and Muscarinic Cholinergic Receptors in Alzheimer's Disease and Related Disorders. Presented at Symposium on Parkinson's Disease, Japan, April 23-28, 1987.
29. Whitehouse PJ: Alzheimer's Disease and Parkinson's Disease: New Neurochemical Parallels. Presented at International Symposium on Alzheimer's Disease, Amsterdam, The Netherlands, May 6-13, 1987.
30. Powers RE, Powell SK, Schlough C, and Whitehouse PJ: Autopsy services for neuropsychiatric disorders. Presented at the 140th Annual Meeting on New Research, May 9-15, 1987, Chicago, IL.
- 31.* Visiting Professor. Whitehouse PJ: Alzheimer's Disease. University of Vermont, Burlington, Vermont, May 4-5, 1987.
32. Whitehouse PJ: Neurology of the Aging Communication System. Presented at Summer Institute in Clinical and Educational Issues in Gerontology Thwing Center, July 10, 1987.
33. Whitehouse PJ: Alzheimer's Disease: Interdisciplinary Issues. Summer Institute on Geriatric Education and Practice, Akron Western Reserve Geriatric Education Center, July 20-22, 1987.
34. Whitehouse PJ: Alzheimer's Disease: New Directions for Research and Care. Presented at Mansfield General Hospital, Mansfield, Ohio, "Finding a Balance: Alzheimer's Disease", August 18, 1987.
35. Whitehouse PJ: The Neurochemical Basis of Dementia in Alzheimer's Disease and Parkinson's Disease. Presented at the Third Congress of the International Psychogeriatric Association, Chicago, August 28-31, 1987.

36. Whitehouse PJ: Reviewer, "Neurobiology of Age-Related Memory Disorder". NIA Conference Workshop on Experimental Models of Age-Related Memory Dysfunction, Mt. Washington Conference Center, Baltimore, Maryland, August 30-September 2, 1987.
37. Whitehouse PJ: The Role of Research and Therapeutic Trials: The Probability of a Technical Fix. ADRDA Health Services Research Task Force, Chicago, September 1, 1987.
- 38.* Visiting Professor. Whitehouse PJ: Alzheimer's Disease. University of Michigan, Sept. 9-10, 1987.
39. Whitehouse PJ: Issues of Clinical Pathological Correlation in Alzheimer's Disease. Cleveland Neuro Psychological Society, October 7, 1987.
40. Whitehouse PJ: Alzheimer's Disease: The Look Ahead. University Hospitals and Case Western Reserve University (Center on Aging) Memory and Aging Conference, October 22-23, 1987.
- 41.* Visiting Professor. Whitehouse PJ: Understanding and Coping with the Challenges of the Alzheimer Patient. Ohio University College of Osteopathy, Athens, Ohio, January 9, 1988.
42. Whitehouse PJ: Alzheimer's Disease: Recent Theory and Research. Case Western Reserve University Geriatric Education Center—Core Course, Spring Series, February 16, 1988.
43. Whitehouse PJ: Neurochemistry of Alzheimer's Disease and Other Dementias. Presented at University of Miami Conference on Dementia, Miami, Florida, February 19-20, 1988.
- 44.* Visiting Professor. Whitehouse PJ: Alzheimer's Disease. Brown University, Providence, Rhode Island, March 7-8, 1988.
45. Whitehouse PJ: Alzheimer's Disease. Akron City Hospital Department of Medicine Ground Rounds, Akron, Ohio, March 9, 1988.
46. Whitehouse PJ: Advances in Basic Research of Alzheimer's Disease. Insights from the Alzheimer's Disease Program at Case Western Reserve University. Presented at Ohio State University Medicine Symposium on Alzheimer's Disease and Related Dementias, Columbus, Ohio, April 15, 1988.
47. Whitehouse PJ: Round Table Session Participant, University of Kentucky Faculty Club Conference on Neuropsychology of Alzheimer's Disease, Lexington, Kentucky, April 15, 1988.
48. Whitehouse PJ: The Biological Basis of Rational Drug Therapy in Dementia. Presented at University of Rochester "An Evening on Alzheimer's Disease" Symposium on Dementia (sponsored by Sandoz Pharmaceuticals), April 28, 1988.
49. Whitehouse PJ: Report of a National Institute of Mental Health Work Shop. Age Associated Memory Impairment, Annapolis, Maryland, May 26, 1988.
50. Whitehouse PJ: Keynote Speaker and Panel Discussion Leader, Governor's Conference on Alzheimer's Disease, State of Iowa, June 8, 1988.
51. Whitehouse PJ: Relationship of Sympathomimetic Pathway in the Brain to Cognitive Functioning. Johns Hopkins Medical Institute's Attention Deficit Disorder, Hyperactivity, and Learning Disabilities, June 16, 1988.
52. Whitehouse PJ: Alzheimer's Disease. Miami Valley Hospital Medical Grand Rounds, Miami, Ohio, July 20, 1988.
- 53.* Visiting Professor. Whitehouse PJ: Alzheimer's Disease. Wright State Medical School, Dayton, Ohio, July 20, 1988.

54. Desouza EB, Whitehouse PJ, Powers RE, Walker LC, Struble RG, Price DL, and Vale WW: Corticotropin-releasing factor (CRF) involvement in human neurodegenerative diseases. The Winter Neuropeptide Conference, Breckenridge, Colorado Symposium, 1988.
55. Zweig RM, Ross CA, Hedreen JC, Steele C, Cardillo JE, Whitehouse PJ, Folstein MF, and Price DL: The neuropathology of aminergic nuclei in Alzheimer's Disease. First International Conference on Alzheimer's Disease and Related Disorders, Las Vegas, September 9-16, 1988.
56. Whitehouse PJ: Alzheimer's Disease: Current Research and Theory. Western Reserve Geriatric Education Center—post graduate mini-course: Interdisciplinary perspectives on Alzheimer's Disease, September 27, 1988.
57. Whitehouse PJ: Dementia. Presented at Association Colombiana de Neurologia Neuro-Otologia Y Demencias, October 14-15, 1988.
58. Whitehouse PJ: Panel Participant, National Conference on Access and Financing for Neuropsychiatric Care for the Elderly, October 19-20, 1988.
59. Whitehouse PJ: Alzheimer's Disease: Research Here and Elsewhere. Presented at Cleveland Clinic Foundation Geriatric Noon Conference, October 31, 1988.
60. Whitehouse PJ: Alzheimer's Disease: Future Directions. Presented at the Pharmaceutical Manufacturer's Association Meeting, Washington, D.C., November 1, 1988.
61. Whitehouse PJ: Alzheimer's Disease. Washington University School of Medicine Friedman Conference on Dementia and Hip Fracture, November 10, 1988.
62. Whitehouse PJ: Brain, Cognition, and Aging: A Neurobehavioral Symposium, Baycrest Centre for Geriatric Care, Toronto, December 2, 1988.
63. Guest Faculty/Workshop Leader, Neurotransmitter Changes in Alzheimer's Disease. University of California School of Medicine, San Diego, Pharmacologic Management of Alzheimer's Disease: Practical and Theoretical Issues, December 9, 1988.
64. Whitehouse, PJ: Management of dementia: Issues in health care delivery. Course offering at the American Academy of Neurology, Chicago, 1989 (R. Mayeux, Course Director).
65. Ripich, DN, Vertes D, Whitehouse PJ, and Fulton S: Conversational discourse patterns in senile dementia of the Alzheimer's type patients. The Spectrum of Research on Aging and the Aged, Case Western Reserve University, February, 1989.
- 66.* Visiting Professor. Whitehouse PJ: Alzheimer's Disease and Related Disorders. University of Arizona, Neurology, February 10, 1989.
- 67.* Visiting Professor, Whitehouse PJ: Alzheimer's Disease. University of Syracuse, Geriatrics, New York, March 2, 1989.
68. Whitehouse, PJ: Senile and Presenile Dementia. Presented at Third Annual Alumni Continuing Medical Education Program, Case Western Reserve University, May 18-19, 1989.
- 69.* Visiting Professor. Whitehouse PJ: Alzheimer's Disease. University of Wisconsin, Milwaukee, May 22, 1989.
- 70.* Visiting Professor. Whitehouse PJ: Alzheimer's Disease. Hahnemann Medical College, Philadelphia, PA, May 25, 1989.

71. Whitehouse PJ: Neurotransmitter Systems in Aging. Third Annual Meeting of the World Federation of Neurology—Research Group on Neurology, Florence, Italy, May 31–June 3, 1989.
72. Whitehouse PJ: Alzheimer's Disease and Clinical Trials: Criteria of early diagnosis. Servier Amerique, Paris France, June 6, 1989.
73. Whitehouse PJ: Alzheimer's Disease: Advances in diagnostics and prospects for drug development. Kidder, Peabody and Company, Inc. Health Care Research Group, New York, NY, June 14, 1989.
74. Whitehouse, PJ: The Need for Controlled [Drug] Trials. Antidementia Drug Assessment Symposium—a special meeting of the Food and Drug Administration Peripheral and Central Nervous System Drugs Advisory Committee, Rockville, Maryland, June 15–16, 1989.
75. Visiting Professor. Whitehouse PJ: Grand rounds presentation, Cleveland Clinic Foundation, Cleveland, Ohio, July 10, 1989.
76. Whitehouse PJ: Clinicopathological Correlations in Dementia: Conceptual opportunities and methodological problems. The Fourth Congress of the International Psychogeriatric Association, Tokyo, Japan, September 5–8, 1989.
77. Whitehouse PJ: Alzheimer's Disease: The spirit of inquiry and innovation. American Society on Aging Conference on Alzheimer's Disease and Other Cognitive Impairments. San Francisco, California, September 14–15, 1989.
78. Whitehouse PJ: Stress and Health Among the Elderly: Diagnosis and treatment. Session Chair. Case Western Reserve University Center on Aging and Health, Cleveland, Ohio, October 27, 1989.
79. Whitehouse PJ: Alzheimer's Disease: Issues in the continuum of care. St. John's Hospital Conference on Alzheimer's Disease, Salina, Kansas, November 2–3, 1989.
80. Whitehouse PJ: Alzheimer's Disease: A look ahead. Keynote address for the American Association of Homes for the Aging, Washington, D.C., November 6, 1989.
81. Whitehouse PJ: Advances in ACE Inhibitor Therapy. Audio Visual Medical Marketing, Inc. Symposium on ACE Inhibitor therapy, New Orleans, Louisiana, November 11, 1989.
82. Whitehouse PJ: Neurotransmitter Systems in Aging. International Society for Diagnosis and Treatment of Senile Dementias Conference on Mental Decline of Elderly People, Rome, Italy, November 23–25, 1989.
